*"Train up a child in the way he should go;  
and when he is old, he will not depart  
from it."—The Bible*

*All* the World's a Stage

## Foreword

Many volumes could be written on the various phrases of Van Buren High School, its people, its rules and traditions, courses of study, its opportunities in both cultural and career areas, its full calendar of sports, and its emphasis on personal religious values and on vocational guidance.

Each of these has a contribution to our individual welfare and growth. By capturing something of the atmosphere of our campus and classroom with the camera, we hope to show some of the things, which education at Van Buren High means.

# *Dedication*

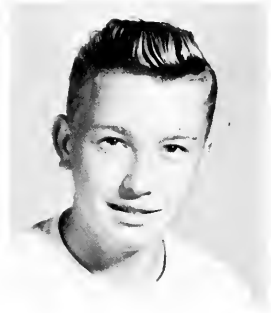

We the staff of the '63 Acetonian, dedicate this yearbook to a well-known and admired classmate, Sandy Hipkind.

Sandy came to Van Buren from Fairmount her Freshman year. She enjoyed three wonderful and full years at Van Buren. She was in many school activities. She was known for her activity and place in cheerleading, National Honor Society, twirling, and Homecoming Court.

We, therefore, count it a privilege to dedicate the '63 Acetonian to the memory of our classmate, Sandy Hipkind.

# *In Memoriam*

We leave this page in memory of the five individuals who were taken from us during this past year. The tragedy of each loss created a deep sadness for all. They will be fondly remembered.
